Mr Daniel Schmidhauser
Schmidhauser Electrical

Dear Sir

ELECTRICAL WORK DONE AT BEACON VIEW PRIMARY SCHOOL

We would like to take this opportunity to thank you for the work well done on the electrical need of our school. You really did us a huge favour.

Our school will celebrate its 25th anniversary this year and after such a long time we needed to upgrade and repair our electrical wiring and lights. On our own this would not have been realised, but due to your kindness our school is now a safer place with lots of lights. Thank you again.

Beacon View Primary is situated in Beacon Valley, a socio-economically challenged area of Mitchell's Plain. The school hosts 1,386 learners. Many of these learners reside in Khayelitsha. In total we have 836 coloured learners and 550 black learners.

We wish to thank you again and hope that the relationship built with the school will be a lasting one.

I thank you.

Magda M. Esterhuizen
